The “Precious Knots” Collection

April 2010

Gold and diamonds become delicate fabrics and tie themselves into precious knots and ties...

A new romantic jewellery collection, the sort you would imagine pulled out of a magician's hat to dress up a rock princess, a punk queen or an eternal dreamer...

This collection brings together and mixes white and yellow gold with diamonds in different forms of rings, pendants, necklaces and earrings.

The collection :

Gold Boucle d'or Ring

Double Knot Ring

Sincère Knot Ring

Serpent Knot Pendant

Gentle Knot Pendant

Star Knot Earrings
